Application Information – please answer these following questions.

Why do you want to come to Neema Village?

Have you ever been convicted of a felony or misdemeanor involving a child or other? Please list any prior criminal convictions or offenses.

Please list the name and email address of your physician.

Do you have any special needs that we need to be aware of such as dietary needs, physical or medical needs? Do you have any physical limitations? Arusha is a very modern city and most conditions can be met. We need to know ahead of time how we can best help to make your stay at Neema an enjoyable and safe experience.

We value the health and wellbeing of all volunteers at Neema. Please let us know of any emotional or mental health issues we may need to be aware of in order to assist you during your stay.

What other experience/qualifications/talents/hobbies do you have that you feel would be beneficial to us? Computer skills? Web design? Photography? Artist? Musical? Medical? Social Welfare? Other?

We ask all volunteers to carry out a fundraising event for Neema Village before coming. This is different than raising money for the cost of your trip. Becoming involved in what it takes to run Neema Village and talking about Neema will orient you to the babies' needs and the needs of Neema Village. We suggest a fundraising goal of \$500 minimum. It is perfectly acceptable to just ask friends and relatives! Your fundraising money for Neema must be donated on line through our website or given to the Director upon your arrival, not at the end of your stay.

For your donors to get a U. S. tax deduction the funds must be given to Neema Village not to you personally. They can make donations at www.neemavillage.org

The "Go Fund Me" and similar sites are a little tricky to set up correctly for your fundraising.

For U.S. donors: To make sure that your donors get a tax deduction from the U.S. government you might want to contact our bookkeeper, Sarah Lockett at scottsarahlockett@yahoo.com before you set that up. It would cause some major trouble for Neema if you promised your donors a tax deduction but Sarah could not send it to them because Neema did not get the money from the donor. If you run all the money through your account and then send one check to Neema from you, then only you get the tax deduction. You see how that works! Your donors would blame Neema which would be a huge black mark for Neema and could cost us our nonprofit status. Please check with Sarah before setting up an internet fundraising site.

How do you plan to raise funds for Neema Village?
